

ROWING SPONSORSHIPS

NSU University School is asking for your support to continue to make our nationally recognized crew program a success by becoming a sponsor of the 2024-2025 year-round season. Team sponsorships allow our program to develop competitive rowers at all levels by building and improving their skills, confidence, initiative, and a sense of teamwork.

Crew equipment is by far the largest expense category of the program. A minimum of 50% of each sponsorship will support the purchase of new boats and/or the maintenance of boats in our fleet. As active competitors and rowers, we offer visibility for you and your organization in an engaged community.
